

July 2018

Dear East Jackson Families,

As we approach the new school year, we must continue our preparations. Some parents have requested a list of school supplies that they could purchase to assist their student in being prepared for the kick-off of a new school year. As a result, teachers have provided the following information which you may find helpful. Any assistance you could provide would be greatly appreciated.

Have a safe and fun summer!

Ms. Jacobs
