January, 20, 2020

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2018-19 educational progress for the WAY-East Jackson. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Deana Minder at the East Jackson Administration Office for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/31GJ4Tw>, or you may review a copy in the main office at your child's school.

For the 2018-19 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school was not identified as any of the above by the Department of Education.

WAY-East Jackson serves as an alternative education setting for secondary students within the East Jackson school district. It operates in a blended learning, face-to-face and virtual setting to optimize student and family flexibility.

I thank you for your interest in East Jackson Community Schools, where we pride ourselves in student and staff accomplishments. Please visit our website for information: [www.eastjacksonschools.org](http://www.eastjacksonschools.org)

Sincerely,

Steve Doerr  
Superintendent
