

July 2020

Dear East Jackson Families,

As we approach the new school year, we must continue our preparations. Some parents have requested a list of school supplies that they could purchase to assist their student in being prepared for the kick-off of a new school year. As a result, teachers have provided the following information which you may find helpful. Any assistance you could provide would be greatly appreciated. \*Of special note for this year, an individual pencil case to keep supplies in, a mask, and a lanyard will be helpful to your student for safety measures.

Have a safe and fun summer!
