RE: *NEW* Tuition Preschool Program at EJ Elementary

Dear East Jackson Families:

East Jackson is excited to announce that we are expanding our partnership with Phoenix Child Care to provide a quality, tuition-based preschool option starting in the 21-22 school year. This expansion will be highly beneficial to the EJ Community and families that we serve.

Phoenix Early Learning Center has established itself as a quality option in providing Great Start Readiness Programming in the Jackson area. They also have a strong reputation for providing the highest quality preschool options for 3 and 4 year olds.

East Jackson Community Schools and Phoenix Child Care are mutually committed to providing area families with a whole-child educational program that will be housed at East Jackson Elementary, 4340 Walz Rd.

If you have any questions or wish to enroll your child in this exciting new program, please contact Phoenix Early Learning Center at (517) 513-8048 or email phoenixearlylearning@gmail.com

Go Trojans!

Sincerely,

Steve Doerr
Superintendent
East Jackson Community Schools
