

July 2021

Dear East Jackson Families,

As we approach the new school year, some families have requested a list of school supplies that they could purchase to assist their students in being prepared for the kick-off of a new school year. As a result, teachers have provided the following information which you may find helpful. Any assistance you could provide would be greatly appreciated. **The first day of school for students is August 25th with an early release of 1:00 PM**

Have a safe and fun summer!
