March 18, 2024

EJSS 7th Grade Families,

This letter is to inform that all 7th grade students will have a virtual learning day on April 10th, 2024. The decision to utilize a virtual day will allow all EJSS staff to help proctor and support with state mandated testing. Please note that all lessons and all necessary instructions will be posted in Schoology prior to Wednesday, April 10th.

Each student has a district-issued Schoology account to access materials and assignments. Any questions or issues can be directed to Mr. Smith. He will be available via email. He can be reached at jason.smith@eastjacksonschools.org

The Schoology link for East Jackson Secondary School can be found at <https://app.schoology.com/login>

Thank you,

Jeffrey M. Punches
Middle School Principal
